SHHHHHHHHHHHHHHHH!

## WHAT IS SECRET STORY NETWORK?

Secret Story Network is a series of **live interactive stories** that take place on smartphones and tablets in **chat** apps like WhatsApp and Messenger.

The stories are **role playing games** led by a **story conductor** in which the audience actively participate.

Cool, it was like being in a film 😁

Too short! I was just getting into it 1

Take my hand...

It's tons of fun and we are working hard to find ways to make these stories available to everybody. At the moment access is **VERY limited**, but if you drop us a line on the website we'll let you know when you can join in:
